June 2010

From the Junior Management Team

Well we are now at the start of the warm weather, the course is looking lovely and already the handicaps are tumbling down right across the entire junior section. Congratulations to Joseph Bannan who has won both Junior competitions in May and as a reward he has now lost 5 shots off his handicap. The Associate section is flourishing and both competitions last month were won by Sam Allen but it was a close run affair with a long list waiting in the wings ready to pounce on any slip ups. Congratulations to Joseph and Sam for a good month. Hopefully we can start playing some competitive golf now the course is improving rapidly and the warm weather is making the golf so much easier to play around our fantastic course. We have been joined by Kathryn McGawley on our team, a welcome addition and over the next few weeks Kathryn will be there to introduce herself to all junior members, an excellent golfer she has a lot to offer all junior golfers. Good hunting for the rest of the summer.
