

MGC Junior News

June 2011

From the Junior Management Team

The month of May has been a very busy one for the club but a little quiet for the junior section. Having said that congratulations must go to our winners Nick Connor and Jacob Molyneux who won the junior competitions with excellent scoring in very poor weather conditions and as a result their handicaps have come tumbling down. Our Associate winners have been Tom Allen on the course and Oliver Mann on the putting green, two worthy champions. I am aware that a number of upsets have taken place in the Gaffney Matchplay knockouts with some established stars being on the losing end to some of our young up and coming stars! I did tell all juniors to watch their backs because we have a number of very young excellent golfers coming through, you have been warned!!!! Finally a number of the juniors, associates and their parents have just had an excellent day out at Formby Hall GC on Merseyside, a little windy but well worth the journey. If you want to see more photo's please visit our Facebook page for all those smiling faces. June is a busy month starting with Sunday 12th June for our first competitions so we hope to see you there.

Thank You

The MGC Junior section would like to thank all our members for helping to raise over £500 with club washing recently and to MGC member Vinnie Kay for his very kind donation of £65 to the junior section. All the money has been paid into the Junior account and will be used throughout the year for all Junior and Associate competitions and final club presentation event.

The Junior Management Team would like to extend their thanks to all juniors, associates, their parents and family for helping with the club washing, without your support we couldn't manage it, we appreciate all your efforts, commitment and support. Thank you.
