March 2011

## From the Junior Management Team

Well not long left now, our MGC Junior Captains Drive In is set for 2pm on Sunday 3rd April 2011 and we wish our Junior Captain Sophie Powell and all the junior golfers at Manchester GC a fantastic golfing year. The days are getting a little bit longer, the weather a little better and it is now time to fine tune those golf swings for this coming season. The competition timetable for the juniors and the associate juniors are printed out on both notice boards at the club and the club members hand books will be with juniors very shortly, so good luck to all of you and hope we have a long hot summer! We have been drawn at home in the Williams BMW Junior Challenge against Northenden GC, Didsbury, Manchester, they will be a difficult team to beat so the team will need to have their "A" game on the day, more to follow when we have finalised the fixture. Our first junior clinic of the season is on Sunday 6th March so use the tuition from our Head PGA Professional Brian Connor to set you up for the remainder of the season. The MGC Junior Management team wish our Junior Captain Sophie Powell and all junior golfers all the best for the forthcoming season. Bring it on and lets have some competitive golf !!!!

## From the Junior Captain

I would like to say hello to all Manchester Golf Club members, my name is Sophie Powell and I will be junior captain for 2011. I hope everybody has bared the cold weather and are looking forward to what will hopefully be a great 2011 season. I will do my upmost to support the Captain and Lady Captain throughout the year and I will be giving constant support to the ever growing junior section that we are lucky to have at this golf club. I wish everybody a very enjoyable year and I will look forward to seeing you all.

Junior Captain  
Sophie Powell

## Junior Winter League

The Junior Winter league has completed 11 rounds to date and the best 6 from 11 results are below. Everything to play for now with just a few weeks remaining. Last competition will be Sunday 27th March 2011. The current standings are:

Joseph Bannan	162 pts
Rob Barker	155 pts
Tom Thorpe	147 pts

## MGC Members Card

All junior members and their families should take note that the MGC Members cards have changed slightly since 1st February 2011. Since this date each members card holds 2 separate purses within the one card. One purse is entitled Competitions and the second is the Bar/catering purse. Each purse is self explanatory and the money in each purse is used for Competitions and for bar/catering (food/drink) separately. You have to put money into both purses at the bar so when you are topping up your card with money you must tell the bar staff which purse the money is going into and when they take money from a member they should also ask you which purse it is going into.

When you enter a junior golf competition, the £2 entrance fee will come out of the Competition purse and if you purchase drinks/food from the bar the cost will come from your bar/catering purse. IT IS VERY IMPORTANT THAT BOTH PURSES HAVE MONEY IN THEM. If any junior or their family have any problems please seek one of the Junior Management team out and we will assist.
