## Members Together

On Saturday 28th March, we emailed Members with an initial update on our response to the challenges we face as a result of the COVID-19 crisis. We asked Members to help us through troubled times, just as previous generations of members helped get us to where we are. We hope everyone will support their Club as best they can, safe in the knowledge that we're all in this together. The response has been fantastic, a great reflection on the spirit of members of all categories, with pledges from the men's, ladies and junior sections across all member categories from full to access. We think it's important to share the comments with you, all of which are unedited and in full. Thank you for each and every one.

MGC has provided 41 years of active sport and leisure for me and my family, a few months of patience will be worth the wait

As a member for 49 years there is not another club in the region that I would prefer to be a member of.

Let's do this.

I have not been able to play for many years now due to health issues but would never consider not being a Member

I am available at any time to do what is required to support our golf club in what ever needs to be done. Regards

To all the staff at Manchester Golf Club please keep yourselves safe so we can all enjoy our magnificent club and course together.

I am a relatively new member but have known the club and some of the members and staff for many years. It is and always has been a great club and I would like to offer my support in any way I can to help the club through this difficult period.

I am unfortunately unwell at the moment (not covid related) and have been unable to play since November time. That said I would still offer my help although limited if possible.

Please continue my membership for this year and please ask all our members to stay home and stay safe

We will get through this

I will continue as a full member through this crisis.

Just had a knee replacement membership suspended

Will help in any way I can once this epidemic is over

These are unsettling times and COVID-19 is clearing impacting our personal and professional lives, and those that we love. I wanted to wish you, your loved ones and fellow colleagues safe passage through this difficult period. Please take care, stay safe , It is challenging living under the current restrictions; however, I am confident we will get through this, together.

I have been fortunate to have been a member of this great Club since 1984 and the honour of being its Captain. We have faced challenging times previously and the recent edition of the Hopwood Times featuring the war time years is testament of that. Personally MGC has provided great enjoyment and friendship and I will do whatever I can to support the club going forward.
